B. J. —

I know this happened a little while back, but I want to apologize for telling you all about the Junior-Senior Prom. When you first started on the article and everybody didn't think it was going to work out. But I would like to say now that I think you did a wonderful job on it, and I am glad that things all patched up. (I hope)

This is going the last year that I'm going to see you at school I guess, being that you are going to college. It's too bad that we have to lose such a cute girl so soon.

Yours truly
Chuck Cobb.

Top-Hi Calls . . .

to you in recognition of all the assistance you have given toward the success of every class who has passed through the halls of Top-Hi. Although you have a full six periods a day you always find time to help and take a sincere interest in the many extra-curricular events which are brought to you. Regardless of the class or organization, be it either the Junior-Senior Prom programs or centerpiece or the choir concert posters, you are the first person the students think of to help them with your artistic hands. With this TOHISCAN you have completed ten years of service to the school and yet you never would let a staff dedicate to you because you always said a job well done was thanks enough. With the secrecy and cooperation of this year's staff we dedicate to you our 1957 TOHISCAN, "Top-Hi Calls," on your tenth anniversary, Miss Lorna Finch, annual advisor.

MISS LORNA FINCH

Top-Hi Calls

. . . now and in your future. The memories you're building now will return across the years, across the miles that will soon take you away from Top-Hi, 1957. All your life you'll remember the good times, the good friends, the work and fun of our year together. To help you, Toppy, spirit of Top-Hi, wanders through these pages, recording the highlights of the year, reminding you of your own memories. Our pages, like the pages of a phone directory, hold the numbers with which you can dial your own special party—your own memories of each class, activity, sport, or event in which you shared.

Your TOHISCAN staff has put many extracurricular hours of work into the creation of your book. For them, part of Top-Hi's call will ring up pleasant memories of work and fun together as members of an organization whose work lasts through the years. We are a small group who organize the material you give us. Our work is made possible through the patience and cooperation of numerous teachers and students, and we wish to express our appreciation to all who helped. We also extend our sincerest thanks to our boosters who supported this year's TOHISCAN more generously than ever before.

B.J.

I don't think that I could ever meet a nicer girl than you. I wish you a little luck in college for that is very near a tough one. We've had a lot of fun, the Pla-z-ette, I don't think that I will ever forget you & your personality. Why be somebody else Dixie & I & you & Terry (it looks my turn) Congo! Together.

Remember me as a brother friend,

Ralph '58

B. Joe. I know you're going to really miss old Top-Hi but remember this is just another step toward life. You've been a wonderful person and you have the best personality in old Top Hi so keep that smile and I am really going to miss you. Lots of luck in the future and may your years there all be bright ones.

Love
Phyllis McLean '58

I wish to extend my own special "thank you" to the members of this year's staff, who worked as a team, each one doing his part well.

I know a special vote of thanks goes to our advisor, Miss Finch, who guided us to our ultimate goal of producing one of our finest yearbooks, Top-Hi Calls.

The Science Club started their year with the election of their officers: President Darold Niedermeyer, Vice-President Mike Scalley, Secretary-Treasurer Kay Delaney, and Sergeant-at-Arms Ray Hamilton. Miss Marion Ross is the club advisor. Everyone was busy during the year with their individual projects in electronics, rock collecting, microscopic work, and model reactors. Their year was highlighted by the initiation for the new members held December 18 and the field trips they took throughout the school year hunting rocks and visiting places of interest. An open house was held in the spring to display the projects of the members and to end their year of activity.

The Top-Hi band under the direction of C. O. Tollefson had a very successful year. Officers were President Norman Mayfield, Vice-President Sandra Leak, and Secretary Margaret Rivard. The band started the year by playing at the Fourth of July Parade and the Wapato Harvest Festival.

The band presented two concerts at the Central Washington Fair in Yakima. Their performances in 1956-57 included playing for the Homecoming parade and all home football and basketball games. They performed at half-times and pep assemblies. Many band members attended the solo contest at Ellensburg.

In the spring the Band Boosters supplied the funds for the trip to perform at the Apple Blossom Festival.

Ending the year, they furnished background music for the graduating seniors at Baccalaureate and Commencement.

Busy signals were heard from the Yearbook room as Editor Gary Fendell, Advisor Miss Finch and the staff enclosed the events within the cover of the 1957 TOHISCAN.

They spent class time and other spare minutes reading copy, taking pictures, writing stories, selling annuals and talking pages, and making layouts to record the memories which are part of Top-Hi's call to all its students, past and present.

They attended a conference at Seattle, a Student Conference at Yakima where they were the leaders in the "A" division yearbook panel, enjoyed a Christmas party and exchange, produced their new sensation, the Talking Page, and spring vacationed in Seattle.

The peppy sextet shown on these pages led Top-Hi students in yells and songs throughout the school year.

Colorful costumes added to their attractive appearance. The cheerleaders were costumed in gray capri pants and maroon turtle-necked sweaters for football season and gray honey-bun sweaters and pleated plaid skirts for basketball season. The songleaders wore outfits of white sweaters and maroon pleated skirts for football season and white sailor blouses and maroon pleated skirts for basketball season.

They will be remembered for their spirit and pep which sparked the students of Top-Hi through the sports seasons.

Yell Leaders: Carol Johnson, Diane Wells, and Bev Olsen.

The National Torch Honor Society had a very successful year with the assistance of Leo Morin, Everett Cook, A. J. Strom, and Lorna Finch. First semester officers were President Sue Hardy, Vice-President Francie Filer, Secretary Adeline Soto, and Treasurer Laura Long; second semester leaders were President Pam Bowles, Vice-President Dixie Rishor, Secretary Francie Filer, and Treasurer Darold Niedermeyer. The sale of book covers and yarn octopi served as unique money-raising devices for financing a $100 scholarship. The group also sponsored a dance and a pep assembly. In January a formal initiation was held for the new senior members. A banquet was held in April at which 10 per cent of the Junior Class was inducted.

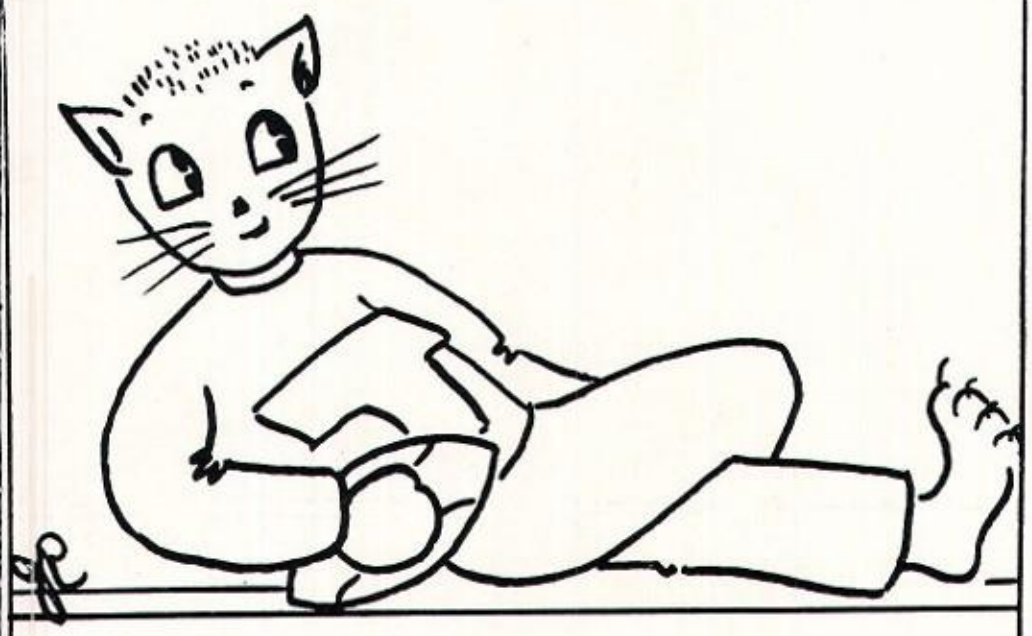
HELLO

. . . Top-Hi football fans . . . Coach Grubb speaking . . . The Wildcats had a very fine season this year. At the start of the season they were rated last but ended up in a tie for fourth place. The first three games saw Top-Hi whip Grandview, Prosser, and Highland, with scores of 6-0, 6-0, and 18-0 respectively. Cle Elum, Top-Hi's next opponent, handed them their first defeat of the year, 19-6. One of the experiences of the year was the weekend spent in Pullman, playing them in a non-conference game and attending the Idaho-Arizona game. Selah proved to be the superior team when they handed the Wildcats their third defeat, 14-7.

Homecoming brought a joyful victory for Top-Hi when they ran away from West Valley, 27-0. The last two games were not profitable for Top-Hi. They had three injuries during the Marquette game in which Toppenish lost, 32-0. Nolan Clark acquired a broken hand, Chip Clark a broken collar bone, and Dale Austin a slight brain concussion. Due to these injuries the boys were unable to play in the following game, the annual Armistice Day one with Wapato. This ended with Top-Hi down, 24-6. A banquet given to the players by their mothers climaxed the close of the '56-'57 football season and left the boys full of memories and turkey.

Honors to team members included the selection of Ted Friend, guard, to Northern Division All-Stars second team and halfback Stan Hixson to the third team. Honorable mention went to Gene Scrivner.



Successes in both scores and morale were partly due to the spirit of Glen Thomas, Honorary Captain, and Chip Clark, Inspirational Player, who also shared Honorary Captain with Glen, according to the team's vote.

COACH SAM MITCHELL

The Top-Hi Wildcats had a very thrilling season, starting slowly and working up momentum as they progressed toward a place in the Class A District Tournament. In their pre-season appearance at the Wapato Jamboree they were green and inexperienced, and placed last. The next two games were lost to the Wolves of Wapato.

The breaks didn't go Top-Hi's way the first half of the season. Fans saw the Wildcats lose the first two league games in overtime to Highland and Cle Elum. The team went to Seattle for two non-conference games in which they emerged victorious over both Shoreline and Bothell, the former being an overtime game. Coming back from Seattle the Wildcats went down fighting against Marquette; the next night Top-Hi smashed Grandview. In a thrilling game against Naches, the 'cats were dropped in overtime but came back in another thriller against Selah and took a victory home. This began Top-Hi's winning drive resulting in ten victories of their last twelve games. The first victim was Prosser. Then the team edged out West Valley in an overtime game but were stopped cold by Highland. They continued with another win over West Valley and were stopped again, this time by Cle Elum. The Wildcats really began putting on the pressure and took their next five games, with Grandview, Marquette, Naches, Selah, and Prosser.

The boys came into a tie for fourth place with Grandview after the latter dropped their last game to Marquette. In the playoff game Top-Hi was the victor for the third time over Grandview. This win gained the 'cats a place in the district tournament.

Top-Hi's first tournament game, before stands filled with Top-Hi rooters, was lost to their old-time rival, Wapato. In the second game the Wildcats came back fighting and eliminated Yakima from the tournament, but in the third game they were beaten by Marquette and lost their place in the tournament.

Top-Hi's fighting squad amazed and pleased fans in the community and school by a season notable for its slow start and fine finish. Honored by being selected by the sports writers in Yakima to the All-Stars from the A Class Teams were Jan Garner, first team; Gene Arens, second team; honorable mention went to Glen Thomas and Chip Clark.

Chosen by their own teammates were inspirational player Gene Arens and honorary captain Jan Garner, pictured on the following page.

SENIORS: B. Gonsalez, M. Macias, C. Clark, G. Scrivner, G. Thomas, G. Arens and D. Niedermeyer.

Mr. Mitchell and Mr. Cook,

We, the team, would like to thank you for showing us that basketball can be fun and that it is best to be good sports whether we win or lose. For all of this and more we would like to say "THANKS."

Sincerely,
Your team of '56-'57

CLASS OF 1957

AMONG SENIOR ACTIVITIES:

Lower left: BEFORE THE BALL—B. Wertenberger, T. Walls, M. Scalley, K. Hyatt, and J. Deyo.
Upper left: PLAY TICKETS—D. Bender, S. Dorn, D. LeRoue.
Upper right: COLLEGE CONFERENCE—M. Schmella, S. Smith, and M. Rivard.
Lower right: OFFICERS AND ADVISORS—Mr. Morin, Mr. Bothwell, R. Bradley, D. Rishor, B. Kissler, Mr. Masciotra, and Mr. Bedard. *Kneeling*: G. Wicks, P. Berg, and W. Bond.

The class of '57 began their last year at Top-Hi with President Paul Berg, Vice-President Dixie Rishor, Secretary Becky Kissler, Treasurer Ruth Bradley, Social Chairman Gerry Wicks, and Sergeant-at-Arms Warren Bond. Mr. Carl Bothwell, Mr. Leo Morin, and Mr. Tony Masciotra were their advisors.

They chalked up quite a few memories by attending the college conference, sponsoring after-game dances, participating in assemblies and making graduation plans.

The group chose blue and white for their colors and blue for their robes. "Out of the harbor and into the sea" became their motto; pink carnations were chosen to be their flower.

As royalty for the Senior Ball, "Canadian Sunset," on December 7, they chose Rosalie Fernandez and Nolan Clark.

"The Late Christopher Bean," the senior class play, was presented on November 16.

The Senior Award Assembly and Baccalaureate and the night of May 29 will be remembered by the seniors when Top-Hi calls.

Pic. two: G. Wicks and N. Clark.
Pic. three: L. Layman and R. Leonard.

The senior class presented "The Late Christopher Bean," directed by David Berg, November 16. The play was a delightful satire portraying the effect of potential wealth on the character development of Dr. Haggette, a country doctor played by Darryl McNall, who discovers that in his possession are many valuable paintings. Others in the story are affected by the situation, which results in many comic and revealing scenes.

"It's a Date"

The ski lodge, sunset ski scene, Christmas trees, sleigh, and snow flakes will always be remembered as symbols of the 1956-57 Senior Ball, with its theme of Canadian Sunset. Darold Niedermeyer, general chairman of the ball, ably directed the decorating and production of the ball.

"TIME OUT FOR GINGER"

"Time Out for Ginger," a story of a modern New York family, tells of Ginger (Diane Wells) a 13-year-old tomboy whose only wish is to become a football player. All efforts by her parents (M. D. McMican and Sharon Basey), to discourage her are all in vain.

This action-packed play was presented on Thursday, February 26th. Mr. Masciotra directed the cast with Marvalee Rank serving as student director.

Dear B. J.,

Well my time is just about up. you have always been a good friend. I hope that in the years to come we can be on the same good terms. Someday I will tell you what I was thinking that time. I hope that everything turns out just the way you and Jerry want it to. I think you two are a real cute couple. I am going to miss you and many others Jrs. next year. I hope in the near future we can get together and compare notes. Well I have just about run out of words, but that doesn't mean I'm not thinking. Best of luck always.

Dear B.B.,

Golly Die seem hardly like new half of the year. I guess the play was about all then it seems like we were practically always rushing for something right quick. Guess I probably won't see much of you next year. I hope you're at least one of my classes but I suppose that's willful thinking. You're still going with Tony & me with Alan but I suppose will never get together now. Did you decide to go to college in Oregon? That would be pretty neat. See why I have all this empty space left but what's to say? I guess the nuisance and heartache has to be smallest and grandest girl that I'm gladdest to have as a friend (I don't mean to be funny) I know you don't need it but bless anyways. Have fun this summer Love ya Delores

B. J.

Well kiddo, we sure have had alot of fun in English. Haven't we. I sure will miss your smiling face next year. Well lots of luck in the future, College and ferry. Hope to see you this summer.

B. J.

Well, I'm really going to miss you next year. We have had so much fun and so many memories. When you get to college we sure to right and I will try to come and see you, if you will have me! Tell the kids to write and

The Board of Control was led by President Nolan Clark, Vice-President Barbra Roberts, Secretary Dorothy Noonan, and Treasurer Sandra Leak. The advisor was A. J. Strom, high school principal. A big event of the year sponsored by the Board of Control was the A. S. B. Mixer which was held in the Junior High gymnasium in September. The "Music Makers" furnished the music. In January, they sponsored the March of Dimes Assembly. All of the proceeds went to the March of Dimes.

Mr. Temperley

Phones are always ringing for the busy people in the main office.

Coordinating the school board, the faculty, the principal, the students, and the townspeople is all in the day's work for our popular and capable Superintendent A. K. Temperley, who has served Top-Hi for ten years.

Mrs. Bennett and Mrs. Murray

For the past three years his work has been made easier by the help and efficiency of his cheerful secretary, Mrs. Murray.

Working by her side for five years has been Mrs. Bennett, who carries part of the load of Principal A. J. Strom.

Mr. Strom

For six years his main job has been to coordinate the Senior High faculty and supervise student body activities, and during that time he has made many friends in spite of some of his disciplinary duties.

Top-Hi is fortunate in having this hard-working team of men and women always on call.

Robert Elder, A. K. Temperley, Harold Niedermeyer, K. H. Schmella, Myrl Roberts, and P. J. Barnfield at the dedication of the gym.

The year of 1956-57 has been an active one for our Board of Directors, according to Mr. Temperley, Toppenish High School Superintendent. Improving local schools, working with the Citizen's Committee, buying new property, and supporting students at games and activities are just a few of the many outstanding accomplishments of the year. The biggest project of the year was the building of the gym, which came to $395,000. Few people are aware of the scope of the school board's responsibilities and what they have contributed to the school. For instance, they bought a new driver's education car and school bus, put linoleum in the junior high cafeteria, granted permission for student group trips, and helped promote the building of the sidewalk from the senior high to junior high school. All this was accomplished with the help of 137 certified and non-certified workers.

The active members of the Board and the terms which they have served are: Harold Niedermeyer, five years; P. J. Barnfield, two years; Robert Elder, nine years; Myrl Roberts, three years; and K. H. Schmella, four years.
